THE EDITOR'S PARADISE.

"I would flee from the city's rule and law—from its fashions and forms out loose—and go where the strawberry grows on its straw and the gooseberry grows on its goose; where the catnip tree is climbed by the cat as she clutches for her prey—the guileless and unsuspecting rat on the rattan bush at play; I will catch with ease the saffron cow and cowlet in their glaze, as they leap in joy from bough to bough on the top of a cowslip tree; and list while the partridge drums his drum and the woodcock chuckles his wood, and the dog devours the dog-wood plum in the primitive solitude.
"O let me drink from the moss-grown pump, that was hewn from the pumpkin tree! Eat mush and milk from a rural stump, from folly and fashions free—new gathered mush from the mushroom vine, and milk from the milk-wood sweet—with pineapple from the pine. And then to the whitewashed dairy I'll turn, where the dairymaid hastening hies her ruddy and golden-red butter to churn from the milk of her butterflies; and I'll rise at morn with the earliest bird, to the fragrant farmyard pass, and watch while the farmer turns his herd of grasshoppers out to graze."
—Pacific Union.

The illustrations and designs to appear in the Twelve-page Thanksgiving Number of THE LEDGER are not stock cuts or rehearsed ideas, but strictly up-to-date and protected by copyright. The late War is not forgotten, of course, and the soldier boy is "in it." Or, he may be the husband of the beautiful figure. Some may think she is too good looking and the pose too enchanting for her to be his wife, but that is a question which we will let the reader decide. All in all, the colored design gives ideas for much thought and discussion. In order to give advertisers full benefit the paper will be issued on Wednesday, November 23d, the day preceding Thanksgiving.

Showing a decrease for this year of 31 Republicans and 6 Democrats.

Monday's special Registration, as compared with the first day last year, stands as follows:

	1898.	1897.
Republicans.....	20	3
Democrats.....	28	5
Non-committal, &c.....	14	80
Totals.....	62	88

Yesterday's Registration, compared with the second day last year, stands—

	1898.	1897.
